Special Serial Number Range - Custom Engraved Model 22 Model of 1917 Centennial

To commemorate the reintroduction of the Model 22 Model of 1917, the Smith & Wesson Custom Engraving Department will hand engrave 20 of these unique handguns. These exquisite firearms will be covered with Class "A" engraving, surrounded with inlayed 24kt gold borders. What also makes these revolvers so highly collectible is the fact that they will carry a special serial number range, CLM0001 - CLM0020. For that final touch, you will be shipped a glass top cherry stained presentation case to proudly display your lavishly engraved firearm.

If you would like to be one of only twenty people to be able to own one of these rare handguns, please contact us at 1-800-331-0852, Ext. 3216.
