Right Hand Performance Center Model 500 Holster
\$79.95

Overview

SKU: 192380000

This right hand holster, the Predator, comes embossed with the Smith & Wesson Performance Center logo. Made exclusively and available solely through Smith & Wesson, this holster was built for the S&W Performance Center Model 500 with a 10 1/2" barrel and scope by the Desantis Holster & Leather Co. It is designed to be worn accross the chest for quick and easy access. Some of it's many features include a scope cover which can be unsnapped or just pivoted out of the way and a tie down strap which can be fastened to the waist belt. Built from 1000D Senior Ballistic Nylon, padded with heavy closed cell foam, and lined with a non slip synthetic suede for hours of comfortable carry. It's easily adjusted to fit most body types and can also be worn over the jacket.
