## Overview

SKU: 170231

### Performance Center

- Chrome Hammer
- Chrome Trigger with Trigger Stop
- Muzzle Brake
- PC Tuned Action

In 2003 the gunsmiths and engineers at Smith & Wesson wanted to deliver maximum power for serious handgun hunters. The power they sought required an entirely new frame, the massive "X-Frame™," and was the basis for the new Model S&W 500™, the most powerful production revolver in the world. Performance Center guns originate from standard designs or are created from the ground up. From hand-cutting and fitting to fine tuning for precision, these firearms are top performers. Products from the Performance Center are the ultimate expression of old-world craftsmanship blended with modern technology.
