Crimson Trace N/G Frame Square Butt Hoghunter
Laser Grip
\$309.95

Overview

SKU: 193940000

This rubber grip, the Hoghunter for S&W N/G Frame Square Butt Revolvers by Crimson Trace Lasergrips, features a laser aiming system engineered to provide customers with increased aiming capabilities and is fully adjustable for windage and elevation. The laser integrated into the rubber wrap-around grip can be instantly activated by a natural firing grip featuring a front activation button. The laser grip is equipped with a master on/off switch. The rubber over-molded design allows for a comfortable full fingered firing grip in a concealable package. The lasergrips two lithium batteries delivers a bright, continuous beam for maximum visibility and speed. The common, inexpensive batteries deliver over four hours of constant run time and five years of shelf life.
