The Smith & Wesson BODYGUARD® series is the first in personal protection with integrated lasers. The BODYGUARD® 38 and BODYGUARD® 380 are uniquely engineered as the most state-of-the-art, concealable and accurate personal protection possible. Lightweight, simple to use and featuring integrated laser sights – nothing protects like a BODYGUARD. Get one or both and carry more comfortably, walk more confidently.

Smith & Wesson BODYGUARD personal protection handguns are designed and engineered specifically to include the latest in laser sighting technology for optimal accuracy. INSIGHT® is a world leader in the design, development and manufacture of tactical lasers.
