Tan Leather Sport Belt with Embossed S&W Logo for Galco Holsters
\$99.95

Overview

SKU 13957

Every Galco leather belt is made with premium vegetable tanned steer hide selected from the top percent of the hides available. Because their belts are constructed from only first rate leather, they retain their look of stylish distinction through many years of wear. This 1-1/2" wide fully lined belt is made with premium saddle leather in a tan finish and includes a solid brass buckle. It comes embossed with our Smith & Wesson logo and is available in sizes 34" through 44".

PLEASE NOTE: If belt is to be used with a holster order the belt one size larger to offset the holster.

For matching holsters look under the Firearm Accessories or Surround the Shooter categories.
