S&W M&P Compact Tactical Flashlight
\$59.95

Overview

SKU: 360000549

From the M&P Series of flashlights comes this compact, lightweight, shockproof and water resistant flashlight. The Cree® XLamps 85 Lumen LED will provide a brilliant white light with no bulb to replace. The high strength tempered glass lens provides clearer optics along with a precision factory focused beam. Has a run time of 3 hours of constant lumen brightness with up to an additional 8 hours of diminishing brightness. Includes a pocket clip, lanyard and 1 CR123 Energizer Lithium battery. Overall length 3-3/4"
