Overview

SKU: 178047

Completing the line between main production and the Performance Center, the Smith & Wesson Pro Series represents the next step from standard models. These firearms are offered with a variety of enhancements yet still remain true to "stock." Bringing competition specifications and features to factory models, the Pro Series offer that ready-to-go package while still maintaining production line integrity.

Availability subject to applicable federal, state and local laws, regulations, and ordinances.
