Model M&P15TS Upper Assembly

\$1,119.00

Overview

SKU: 812011

Features & Benefits

- Manufactured on the M&P15 modern sporting rifle platform.
- 14-1/2" Chrome-lined CMV barrel with permanent Smith Vortex™ flash hider for 16" overall length.
 - Ensures a complete propellant burn and negligible flash, unlike the standard issue closed-end "bird cage" unit or competing straight-flute designs. Right hand helical flutes will not loosen under sustained fire. The flute configuration is 40% stronger due to greater mass. Accuracy remains the same or improves.
- Troy™ 13" TRX Extreme Handguard
 - One-Piece, Free Floating Rail, designed for secure installation. Troy™ TRX rails are custom manufactured from aircraft aluminum and finished in MIL-SPEC Type III hard coat.
 - New state of the art rotary locking system
 - Proprietary patent pending one-piece design
 - Reduced heat transfer
 - Significant weight reduction
 - True U.S. Military Specification M1913 rails
 - Increases target acquisition speed
 - Free floating design that enhances accuracy
 - Includes Troy barrel nut
- MBUS® Front and Rear Sights
 - Impact resistant polymer provides light weight and resists operational abuse
 - Spring-loaded flip up sights easily activated from either side or by pressing the top
- Chambered in 5.56 mm NATO
- Barrel twist rate 1 in 7"

Availability subject to applicable federal, state and local laws, regulations, and ordinances. .
