M&P® Shield EZ®

Built for personal protection and everyday carry, the M&P Shield EZ series offers a variety of high performance micro-compact pistols chambered in 380-Auto, 9MM, and 30 Super Carry calibers. All Shield EZ models are built around an *Easy-to-Use* design and include features such as tapered rear slide serrations that provide a better grip surface, easy-to-rack slides for trouble-free manipulation, and load assist tabs on all magazines. Each Shield EZ includes a tactile loaded chamber indicator to both see and feel if a round is in the chamber and reversible magazine release that's easily adjusted for left or right-hand operation. Additional ergonomic features consist of a low bore axis for ultimate recoil control, a one-piece single action trigger for crisp trigger pull with tactile and audible reset, and windage adjustable rear sights.
