FEATURES

- Flat face trigger for consistent trigger finger placement that allows for more accurate and repeatable shooting.
- Enhanced grip texture allows the user to manage recoil, keep a firm grip and delivers comfort when concealing.
- Extended magazine offers 13+1 round capacity. For more concealable option, we offer a flush-fit 10 round magazine.
- Tritium night sights for low-light situations.
- Two - 13 round and One - 10 round magazines included
- Tactile and audible trigger reset
- Extremely thin and lightweight - can be comfortably carried all day.
- M&P's patented take-down lever and sear deactivation systems all for disassembly without pulling the trigger.
- Optimal 18-degree grip angle for natural point of aim.
- Armornite® durable corrosion resistant finish.
- Backed by Smith & Wesson's Lifetime Service Policy.

Armornite® finish is a hardened nitride finish that provides enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many S&W® and M&P® products imparting a high level of protection internally and externally where applied
